Water Street in the Village is now more illuminating and eye opening!

Blue Mountains, Ontario. October 31, 2023 --- Blue Mountain Village is thrilled to announce the opening of two unique retail concepts, adding to the array of home décor, wellness and gallery offers on Water Street.

The Scented Market

Kristy Miller started her eco-friendly business in 2018 as a stay-at-home mom looking to bring only the best products into her home. Miller wanted to make a healthier candle for her family, without toxins. She wanted eco-friendly packaging and to limit the waste contributing to landfills. Thus came, [The Scented Market](#). Situated beside The Beauty Bar on Water Street, the quaint shop offers candle making classes for groups up to 10, many gift options and of course quality scented candles.
