PRIVILEGES OFFERED

The Member Privilege Program (MPP) is a voluntary program established by the BMVA with the Commercial enterprises in the Village and Associate Members. This program offers discounts or upgrades on food, merchandise or services in the Village and is reviewed seasonally. Notification of the privileges offered is provided online at www.bluemountainvillage.ca/membership/bmvampp and through the Members Area of the Blue Mountain Village App.

These privileges are the result of the generosity and willingness of the Commercial and Associate Members to give back to homeowners. Privileges are subject to change without notice.

Once the homeowner becomes responsible for basic fees (upon closing or interim occupancy), an information and welcome package will be sent to the registered owner which includes information on the Member Privilege Program and an application form to be completed and returned to the BMVA requesting mobile photo identification. When the completed application form, and photos have been received, an invitation email to the Blue Mountain Village App will be sent to each qualifying member to register for this program.

The location of a Village property is taken into consideration in the fee structure. It is recognized that the properties within the Village Core (Grand Georgian, Weider Lodge, Seasons at Blue, Mosaic at Blue, Westin Trillium House) derive a larger benefit from the activities of the BMVA.

The Annual Basic Fee, currently \$1.16 inside the Village Core and \$0.29 outside the Village Core is based upon the above grade square footage of the property. This fee is determined annually as part of the budget process and can be adjusted according to operational costs of the BMVA that are not covered by special fees, royalty fees, entry fees and revenues from operations.

A one-time Entry Fee is applicable upon the purchase of a BMVA member property. The amount is dependent upon the location of the property. 2% (in the Village Core) or 0.5% (outside the Village Core) of the purchase price.

A 2% Village Amenity Fee – VAF (aka Rental Royalty fee) is applicable for all members who rent their properties. The Village Amenity Fee is applicable to all gross rental revenue generated by long and short term rentals. As of January 2025, this fee is collected as part of the 4% Municipal Accommodation Tax (MAT) by the Town of the Blue Mountains.

There are several rental managers, e.g., Blue Mountain Resort, Vacasa, Property Valet and Trillium Vacation Rentals, that remit the MAT & VAF on behalf of Blue Mountain Village Association Members.

BMVA members who are managing their rentals privately through online rental portals such as AirBNB, VRBO are responsible for the disclosure, management, collections and remittance of the fee.

HST is applicable to all BMVA Fees.

STATUS CERTIFICATE REQUEST

Buying and Selling

A Status Certificate Package must be requested from the Blue Mountain Village Association (BMVA) with a confirmation of a firm offer on the sale of a property registered with the Blue Mountain Village Association. It is the responsibility of the selling agent and/or owner to inform new purchasers, their realtors and their closing lawyers of BMVA membership obligations, fees payable and privileges.
